

BRIGHT WHITE

Audacious. Heady. Unashamedly hot. With ginger-infused pear, grapefruit and sensual patchouli, this is the wooded, spicy essence of a trust-funded heir on holiday in Ibiza. Just right for Mr Right Now.

SMOOTH OPERATOR

Tender and arresting, refined yet rugged, this is our perfect man in a bottle. A zinging opener of sparkling citrus and peppercorn. A surprising twist of cool flint. A smooth, earthy base of vetiver and cedar that lingers on pulse points like a warm breath. Sigh.

SPICE TRAIL

The second Dior Homme fragrance takes the luxury line in a new direction: brisk, energetic...and slightly dishevelled. Jude Law puts an unshaven face to the spicy citrus mix. Very attractive.

TENNIS, ANYONE?
